

WELCOME TO ELEV8 OS

Your role-based home for work, messages, classes, production, and daily operations.

Get started in three steps

1

Open Elev8 OS

<https://www.elev8arts.com/artist-dashboard/>

2

Sign in

Use the company email and password provided to you.

3

Start from your dashboard

Elev8 OS automatically opens the workspace for your role.

Bottom navigation

Home	Your operational home
Actions	Assignments and follow-up
Messages	Conversations and questions
Calendar	Classes and scheduled work
Profile	Your account and public profile

SCAN TO OPEN

Elev8 OS

No app installation required.
Bookmark the page for quick access.

CLICK TO OPEN

Messages and notifications

Use Conversations instead of text messages when possible.
You may receive alerts for class approvals, jobs, questions,
production issues, manager updates, or work that needs attention.

Need help? Contact your manager or Steve.
